I'm an audio producer with great love for original audio contents, challenges and audio experimentation.

WHAT I DO I create original audio series, audio stories, podcasts and develop and explore new audio formats for people and brands.

Experience

Independent Audio Producer (2017 – CURRENT)

- Create original audio series, stories and podcast for people and brands willing to tell their own story in music and sound.
- Develop the whole process (writing/adapting, recording, editing, mixing, sound design, mastering and distributing).
- Teach classes about podcast creativity and editing.

Head of Audio Content (2017 – 2019)

@Vois Podcast – Vois.fm

- Drive and execute Vois.fm's original content strategy
- Evaluate potential trends in the podcast world
- Manage podcasters community
